### Word

#### Read 1 Corinthians 9

What rights as an apostle does Paul say he is entitled to in this passage?

Why is he making this argument?

Why might some people in Corinth question Paul's authority as an apostle?

Why doesn't Paul take advantage of those rights?

How do you feel about giving up your rights? How hard is it for you to sacrifice what's yours?

How and why has Paul given up the freedom to live whatever lifestyle he prefers?

What group of people are you especially aware of who need to know about God's love?  
What barriers are there between you and such groups?

What rights would you be willing to discard in order to share Christ with them?

How is being a Christian like being an athlete in training?

What things are part of a Christian's training?

45 mins 12/6

### Witness
