Word

Ephesians 6:10-23

Are you aware of a spiritual battle going on around you?
What makes up the armour of God?
What parts are defensive and which offensive?
How does it prepare us for spiritual warfare?
Why is 'standing' emphasized so much?
What are the flaming arrows of the evil one?
What is your main obstacle in fighting the battle of prayer more effectively?
What does it mean to pray in the Spirit?
What one thing sticks in your mind from our Ephesians series?

45 mins 12/11

Witness

Pray for our town and our country, for any evidence of the spiritual battle going on.
