Which of the five senses would be the worst to lose and why?

Worship

Our study today is about a dramatic encounter with Jesus. Thank God that he wants to meet with everyone and pray for any individuals or groups who come to mind who need an encounter with him
Sing some songs.

Word

The passages for life groups are not quite the same as the ones for the Sunday morning series on Ephesians, so this study is a break from the series, so that the sermons can catch up.

Acts 9:1-19

- What do we know about Saul before this chapter begins?
- What do we learn about Saul's character from this story?
- What do we learn about Ananias from this story?
- Why do you think Ananias was asked to go to see Saul?
- What significant things happened to Saul after Ananias prayed for him?
- How did the Lord first get your attention?
- Do you assume some people are beyond God's reach?
- When have you obeyed God, even when, like Ananias, you had doubts?
- Has someone played a similar role to Ananias in your life?
