Word

Ephesians 5:21-6:9

- How do you react to being told to submit to someone?
- What does it mean to submit to the Lord?
- How can we, married or single, grow in our submission to Christ?
- Does submission mean putting your mind in neutral?
- How has Christ shown his love for the church?
- Why does Paul call on wives to respect their husbands while he calls on husbands to love their wives?
- What reasons are given for obeying and honouring parents?
- Is it possible to obey parents without honouring them?
- How can parents exasperate their children?
- How were Christian slaves to be different to other slaves?
- How could these principles (6:5-8) be applied to our situation?
- How do these verses help the church to glorify God in unity?
