# King of glory

## Welcome

If you could be invisible for a day, where would you go and what would you do?

## Worship

Read Psalm 133, together if possible. Spend some time thanking God for each other and our fellowship with other Christians.  
Sing some suitable songs.

20 mins 2/4

## Word

### John 12:20-33

1. What brings Gentiles to Jerusalem during a time of a Jewish feast?
2. What was significant about their request?
3. What was it about this request that caused Jesus to say his time had come?
4. What does Jesus' parable mean and how is it related to the Gentiles' request?
5. What is he causing the disciples to do in verses 25-26?
6. What promise do they receive?
7. How does Jesus draw all people to himself and how would we explain this to an interested enquirer?

45 mins 2/4

## Witness

Continue to pray for those on the Alpha course, and for friends who don't yet know Jesus.

There will be no notes for Easter week, but you may want a social between now and the next study in the week beginning 30th April.
