Word

Here's a study on part of chapter 6.

Mark 6:30-44

'Come with me by yourselves to a quiet place'. What would you expect to happen?
What differences are there between Jesus' approach to the crowd and that of his disciples?
Why does Jesus tell the disciples to give them something to eat?
What can be learned from the amount of the leftovers?
How has Jesus fed you spiritually lately?

Mark 6:45-56

Why didn't Jesus go with the disciples in the boat?
How do the disciples respond when Jesus walks on the water?
What prevented them from recognizing Jesus?
What was Jesus trying to teach them through this experience?
Why does God test our faith?
What can we learn from the disciples' experience?
Who is Jesus revealing himself to be?
