Word

Ephesians 2:11-22

1. What dividing wall in our world would you most like to see come down?
2. What are some of the things that divided Gentiles from Jews?
3. How has Christ destroyed hostility and made peace possible for all people?
4. What two reconciliations does Christ achieve (v14-18)?
5. In what sense did the cross abolish the law (v15)?
6. What rules, written or otherwise, do we enforce which might hinder people from coming into the kingdom?
7. We still see divisions among Christians today. How can those who are united in Christ still be divided?
8. What images for the church does Paul use in v19-22 and what do they tell us about the nature of God's people?
