

Week beginning 2nd November 2014

Making disciples for life (part 2)

Ask, seek, knock

Welcome

Are you good at finding the way to somewhere? Can you read a map, are you wedded to your satnav or are you happy to ask for directions?

15 mins 2/11

Worship

Read Psalm 50. How does the thought of God as judge make us feel? Let these reflections lead us to prayer. Sing some songs.

20 mins 2/11

Word

Matthew 7:1-12

1. Why does Jesus tell us not to judge others?
2. What is the difference between judging others and being properly discerning?
3. Why are we unfit to be judges?
4. How can we truly help a brother or sister (v5)?
5. Is it futile or dangerous to talk to some people about the gospel (v6)?
6. What encouragement does Jesus give to those who ask, seek and knock?
7. Why can we be confident of these promises?
8. How does the golden rule sum up the Law and the Prophets?

45 mins 2/11

Witness

Craft Aid is on Saturday 15th November, 10.15 a.m. - 2 p.m. at church, in aid of Jackie Eye Clinic, Ghana. Please come and bring your friends.

There are three studies to cover four life groups weeks left this year. I have assumed that people will want a social in December, and/or 5th November.
