

Week beginning 30th November 2014

Making disciples for life (part 2)

Wise and foolish

Welcome

What is the worst storm you can remember?

15 mins 30/11

Worship

We are now in Advent, which reminds us of Jesus first coming and his return in glory. Read Revelation 1:4-8. Pray for areas of the world or situations where we long to see the lordship of Christ acknowledged. Sing some songs.

20 mins 30/11

Word

Matthew 7:21-29

1. We usually think of Bible reading as helpful. How might reading the Bible be dangerous?
2. In spite of the admirable statements of the people in verses 21-23, why does Jesus condemn them?
3. What is the difference between the two houses?
4. How did the storms reveal what was previously unseen?
5. Why do storms often reveal the quality of our lives?
6. How was Jesus' authority shown in the Sermon on the Mount?
7. How are these verses a fitting conclusion to the Sermon?
8. Think of one teaching from the Sermon that has challenged you most. How can you begin or continue to put it into practice?

45 mins 30/11

Witness

The last life group of the year is the week beginning 14th December. I haven't done a study, assuming that people will be having socials. Life groups resume in the week beginning 4th January.

Pray for visitors who will be coming to our Christmas services and activities. Why not arrange as a group to deliver some Christmas leaflets to a road in the parish.
