

Amos links from Sam

In his sermon on the Book of Amos (*Sunday 3rd March*), Sam Tyndall referred to some websites that can help us to put our concern for justice and fairness into action: follow the links:-

<https://www.ijmuk.org/slavefreelent>

<https://www.ethicalconsumer.org/>

<https://thegoodshoppingguide.com/>

Sam also played us a song on these themes written by a friend of his -- find it on Spotify:
