4. From this passage, what are the blessings that come to the Christian?
5. What does Paul mean by the words 'justified' and 'saved' v9?
6. How can we know God's peace and hope as reality in our lives?

## Witness

What blessing do you need right now? Share with the group if you would like them to pray for you about this. Pray for each other.

There is one more life group week left before the summer break, so you may want to have a social, though I will do a study for those who want one.
